**FIRST EQUITY MODARABA
DIRECTORS REPORT**

The Directors of Premier Financial Services (Pvt) Ltd, the management company of FIRST EQUITY MODARABA, are pleased to present their report and the un-audited financial statements of the Modaraba for the nine months ended March 31, 2013

Profit for the nine months ended March 31, 2013 amounted to Rs 13 million as compared to Rs 9.3 million for the same period last year. The earning per certificate as at March 31, 2013 was Rs 0.25 as compared to Rs 0.18 for the same period last year. The break up value, per modaraba certificate, stands at Rs 11.08 at the end of the period.

Alhamdulillah, we are please to report that Equity Textile Ltd have taken full advantage of the revival of textile sector and have posted profit of Rs 96 million with earning per shares Rs 3.84 [March 31, 2012 : Rs (1.44)] and break up value Rs 10.30 for the nine months ended March 31, 2013.

Sharia Compliance and Sharia Audit guidelines

As reported in our last annual report that new Sharia Compliance and Sharia Audit guidelines have been issued by Securities and Exchange Commission of Pakistan (SECP). Without compromising on the basic objective to riba free profits/investments, we have requested our Regulators to relax its applicability such that its disposal is not detrimental to the interest of our certificate holders. The law has to be prospective and cannot be retrospective in its applicability. These guidelines are focused on investment in securities based on certain criteria mentioned therein. All those companies where investment in securities is considered to be non-sharia financing/facilities are still permitted.

We have given three proposals to resolve this issue and these are:

- ✦ To restrict all future additions in such securities and all income derived from such securities in form of cash dividend and/or bonus should be adjusted against its cost. In this way, the objective of the guideline would be achieved with minimal losses to the modaraba
- ✦ Set-off these unusual one time losses against statutory reserves; and/or

Set-off against the current year's profitability. In this case, disposal should be restricted to current year's profit only.

This will also address other issues such as modaraba's financial stability, resource mobilization and absence of any statutory provision as it relates to adjustment of losses. The magnitude of such loss, in our case, is approximately around Rs. 20 m.

Trading Right Entitlement Certificate (TREC)

You are well aware that all the three stock exchanges were corporatized and demutualized under the Stock Exchange (Corporatization, Demutualization and Integration) Act 2012 and the members were awarded shares and Trading Right Entitlement Certificate in lieu of their membership of the than Guarantee limited stock exchanges.

This brought tremendous benefits to the Modaraba and the historical cost of acquisition of membership which was Rs. 53 million transformed in 7,041,986 shares of Rs 10 each (4,007,383 and 3,034,603 shares of Karachi and Islamabad Stock Exchange Ltd, respectively) along with one TREC of each stock exchange. Needless to mention that there is no change as regards to privileges of membership before and after the Act. Hence, shares awarded by the stock exchanges can be construed as onetime bonus.

Stock Exchange (Corporatization, Demutualization and Integration) Act 2012 restricts TREC to companies only as defined in Companies Ordinance, 1984. Our submission to SECP that Modaraba being regulated under its auspices and being a corporate legal entity, has not been accepted by the Regulators. Thereafter, we have requested our prime regulator, Registrar Modaraba to allow us to create a wholly owned subsidiary enabling us to protect and safe guard assets of the modaraba. This application is in process and outcome is still awaited. The deadline given in the Act is of May 07, 2013.
